and may require the administration of epinephrine via a pre-filled auto-injector mechanism for anaphylaxis (a severe allergic reaction).

***By signing below, I acknowledge that:***

- 1. I hereby give consent to the administration of the epinephrine via a pre-filled auto-injector mechanism by the designees**, determined by the school nurse, to my child for anaphylaxis when the nurse is not available.
2. I understand that **the school nurse shall determine that the designees have been properly trained in the administration of the epinephrine** via a pre-filled auto-injector mechanism using standardized training protocols established by the Department of Education in consultation with the Department of Health and Senior Services.
3. In accordance with N.J.S.A. 18A:40-12.5 and Board of Education regulation and policy (5330), **the school district and its agents shall have no liability** as a result of any injury arising from the administration of epinephrine via pre-filled auto-injector mechanism to my child.
4. I agree to **indemnify and hold harmless the school district** and its agents, members, servants and employees, against any claims, suit, or action, including attorneys' fees, which may arise as a result of the administration of epinephrine to my child.
5. I understand that, by NJ state law, **antihistamines and corticosteroids shall not be given by a delegate**. In the absence of the school nurse, any antihistamine and corticosteroid order will be disregarded and a trained delegate will give only the auto-injectable dose of epinephrine.
6. This permission is effective for the school year for which it is granted.
